Introduction

This document sets out The Skills Development Scotland Co. Limited (“**SDS**”) programme rules (“**the Rules**”) for the public funding of services under the Employability Fund, described in the Invitation to Tender, the Rules and each Contract Schedule (“**the Employability Fund Services**”) during the period 1 April 2020 to 31 March 2021, with possible extensions by SDS in one yearly increments to 31 March 2022 and 31 March 2023.

The Rules will apply in respect of all Employability Fund Services and are subject to variation in accordance with the provisions set out in the Employability Fund contract between each Provider and SDS.

Structure of the Rules

This document is set out in three parts:-

Part One contains among other things, details of the Provider’s appointment, the contract period details, details of where to find an up to date version of the Rules, and the overarching payment obligations.

Part Two sets out the specific operational rules relating to the Employability Fund.

Part Three sets out the more general contractual obligations of Providers and SDS relating to the Employability Fund.

Your attention is drawn to the provisions on how to interpret the Rules, which provisions are contained in rule 4 of Part Three.

Responsibility for Agents and Sub-contractor

Any duties or obligations or requirements of the Provider will also apply to any Permitted Sub-contractors delivering training, work experience or carrying out any Employability Fund Services, or any employer or organisation providing work experience for Participants and it is the Provider’s responsibility to ensure these Permitted Sub-contractors, employers and/or organisations are aware of and are obliged to comply with SDS requirements and that the Provider has tangible evidence of this compliance e.g. copies of policies, confirmation of Disclosure Scotland checks being undertaken.

SDS Portal

All Employability Fund Services are processed via the SDS Funding Information and Processing System “FIPS”. FIPS streamlines information sharing between Providers and SDS. As such, Providers are required to use SDS designated FIPS software for applicable Participants in order to record required information on FIPS. The software used by SDS at the time of issuing the Invitation to Tender is provided by Microsoft, although this may change. Use of the software is subject to the licensor terms and conditions which apply to SDS and which SDS shall in part pass through to the Providers when using the software in the form of user obligations (“User Permission”). Details of the User Permission terms and conditions shall be available through the relevant links available in the Employability Fund training/learning provider area of the SDS Provider Web Pages. The costs of each User Permission require to be met by the Providers. Details of the costs of each User Permission are available on the training/learning provider area of the SDS Provider Web Pages relating to FIPS, currently available at <http://www.skillsdevelopmentscotland.co.uk/for-training-providers/fips-funding-information-and-processing-system/>

Details of the Microsoft terms and conditions currently applicable to SDS are available at –

PART ONE

1. Operating Rules

- 1.1. The arrangements, definitions, terms and conditions set out in the Rules, as revised and updated from time to time by SDS together with the Invitation to Tender and Provider's ITT Response (subject to any amendments thereto in accordance with the terms of the Rules) and any and all SDS policy statements relating to the Covid-19 pandemic issued by SDS from time to time shall form part of the EF Contract as if such arrangements, terms and conditions and documents were expressly set out in the EF Contract.
- 1.2. The Rules are set out in this document and are subject to such amendments as are implemented by SDS from time to time. The applicable version can be found by linking through the SDS Provider Web Pages.
- 1.3. The EF Contract has been extended pursuant to rule 3.5 contained in Part One of the EF Contract 2021/2022 and shall apply for the period set out in rule 3 below. There are no Starts (nor progressions into Starts) during the extended period, and the terms of the EF contract shall be construed accordingly. Further, except to the extent expressly stated otherwise, all references in this EF Contract (including any Appendix and/or any other document forming part of the EF Contract) to the period of the relevant document shall be deemed to be extended to cover the period of extension referred to in rule 3 below, notwithstanding that the document may refer to another date.

2. Provider's Appointment

- 2.1. SDS appoints the Provider as a Provider of Employability Fund Services in respect of the Employability Fund, as further described in the Invitation to Tender, the Rules and the Contract Schedule. In addition to the Contract Schedule attached to the extension letter of award, the Provider shall be eligible to be considered for the award of additional Starts by SDS during the term of the EF Contract in the event that the volumes of Starts required to be reallocated, or additional Starts become available.
- 2.2. The Provider acknowledges that, in entering into this EF Contract and any Contract Schedule, no form of exclusivity or volume guarantee has been granted by SDS for any additional services to be provided by the Provider.
- 2.3. The Provider hereby agrees and accepts that in entering into the EF Contract (i) it has received all information required by it in order to determine whether it is able to provide the Employability Fund Services and (ii) it is deemed to have satisfied itself in relation to all matters connected with the Employability Fund Services and in regard to its ability to meet all requirements of the EF Contract.

3. Contract Term

- 3.1. Subject to earlier termination in accordance with the Rules or on one month's notice in writing by SDS to the Provider at any time, the EF Contract has been extended under rule 3.5 of the EF Contract terms that applied for the period 2021-2022 and shall therefore continue to have effect from 1 April 2022 until the last eligible date for claiming payments under the terms of the EF Contract ("the Contract Term").
- 3.2. Not used.
- 3.3. Any payments made by SDS to the Provider prior to 1 April 2022, and made in anticipation of the EF Contract having effect shall be deemed to have been made under the terms and

conditions of the EF Contract and the relevant Contract Schedule.

4. Contract Schedule Process

- 4.1. The EF Contract governs the overall relationship of the parties in relation to the Provider's undertakings and sets out the process that SDS shall use to request Employability Fund Services from the Provider under separate Contract Schedules.
- 4.2. SDS shall be entitled (but not obliged) from time to time to request the provision of Employability Fund Services. Within 10 calendar days of receipt of each such request, the Provider shall either (i) email the SDS assigned Contract Executive to confirm to SDS that it shall not be able to provide the requested Employability Fund Services; or (ii) complete and submit to SDS, using such process and any such forms as SDS shall identify, full details of the Starts (if any), Outputs, Outcomes and financial forecasts in respect of the request, which completed form shall form part of the Contract Schedule. Each Contract Schedule shall apply from the commencement date set out by SDS in the Contract Schedule, and shall expire at the date referred to in rule 3.1 (unless terminated sooner). A Contract Schedule shall not enter into force, be legally binding or have any other effect unless:-
 - 4.2.1. the Contract Schedule contains the information required by SDS;
 - 4.2.2. the Contract Schedule has been signed by the authorised representative of SDS (such execution being entirely at SDS' discretion) and the Provider; and
 - 4.2.3. the Contract Schedule has been returned to SDS (or posted on FIPS, if permitted by, and in accordance with the express instruction of SDS); and
 - 4.2.4. as at the date the Contract Schedule is signed, the EF Contract has not been suspended or terminated.
- 4.3. Each Contract Schedule: -
 - 4.3.1. shall be entered into by SDS and the Provider;
 - 4.3.2. forms a separate contract between SDS and the Provider; and
 - 4.3.3. shall incorporate the Rules.

5. Variations

- 5.1. SDS reserves the right to amend the EF Contract and/or any Contract Schedule at any time during its currency with the issue of a revised contract and/or Contract Schedule (as applicable). This will have the effect from the date set out below, of replacing in full all prior agreements (where it affects the EF Contract terms) and in the case of a Contract Schedule, each Contract Schedule that is identified as having been replaced. The effective dates from which each such amendment will be deemed to have taken place are:-
 - 5.1.1. in respect of the EF Contract, from the date that Providers are advised of the changes, (which shall be deemed to include changes set out on the SDS Provider Web Pages, unless expressly provided otherwise in the Rules); and
 - 5.1.2. in respect of each Contract Schedule, on the date SDS advises the Provider of the amendment(s), in writing.
- 5.2. Without limitation, SDS anticipates that any such changes may relate to: -
 - 5.2.1. the volume of Outputs and Outcomes and financial profiles, which may be varied having regard to such matters as the relative demand for Employability Fund Services by the Provider in the relevant local area in contrast with other Providers and other areas; and the performance of the Provider;
 - 5.2.2. the administrative procedures and information required to be inputted to FIPS;
 - 5.2.3. evidence requirements; and/or
 - 5.2.4. not used;
 - 5.2.5. not used;

5.2.6. Changes reasonably required pursuant any change in Data Protection Legislation and/or other change in law;

5.2.7. not used;

5.2.8. not used;

5.2.9. not used.

5.3. The Provider must promptly alert an SDS Contract Executive by email in the event that the Provider has no reasonable prospect of fulfilling any forecast relating to the contracted number of Starts (if any) and/or spend, contained in any Contract Schedule. This does not negate the Provider's obligation to meet the agreed forecasts and is without prejudice to SDS' rights and remedies.

5.4. SDS may request the Provider to submit changes to the Contract Schedule concerning such parts of the Contract Schedule as SDS shall specify, including forecasting information. SDS shall be entitled at its entire discretion to accept or reject any submitted variation. In the event of changes agreed pursuant to this rule 5.4, SDS shall issue a revised Contract Schedule in accordance with rule 5.1.

5.5. Variations to the EF Contract and/or any Contract Schedule which do not meet the requirements of this rule 5 shall not be permitted.

6. Payment and Achievement Arrangements

6.1. SDS shall pay the Provider for provision of the Employability Fund Services in accordance with the Rules in respect of the Outputs and Outcomes achieved in accordance with each Contract Schedule at the applicable rates published by SDS from time to time in the 'information and guidance' section of the SDS Provider Web Pages.

6.2. The Provider shall provide training in the volumes, outputs of services and financial profiles set out in each Contract Schedule (as amended in accordance with the terms of the EF Contract), and to the quality of delivery set out in the EF Contract (including for the avoidance of doubt, the ITT Response).

6.3. Young persons allowances (if any) shown in the Contract Schedule must not be exceeded without prior written approval from SDS, (at SDS's entire discretion) in the form of either an email from SDS or confirmation by SDS within FIPS.

Part Two

1 Employability Fund Services Aims

- 1.1 The Employability Fund Services aim to support employability, vocational training and employment opportunities linked to the local labour market which fall within Stages 2 to 4 of the strategic skills and employability pipeline set out in the table below (“**the Strategic Skills Pipeline**”):

Strategic Skills Pipeline Stage	Nature of Content Expected
Stage 2	Provision should create a foundation upon which individuals can build their employability skills, personal development and core skills.
Stage 3	Provision should support individuals in preparing for and sustaining employment, including entry to Modern Apprenticeships.
Stage 4	SDS approved industry specific provision should directly enable individuals to access sustained employment.

- 1.2 The Provider shall provide every eligible Participant with an individual programme containing the guidance and support that will enable and encourage progression to sustained employment, employment with training (including a Modern Apprenticeship) or further education.
- 1.3 The Individual Training Plan provided by the Provider will be tailored to meet the individual needs of the Participant matched against the demands of the local economy and local employers. Providers will strive to maximise the work experience opportunity for individuals to include, where appropriate, workplace core skills including offering certification of the employability skills developed by the Participant and training for specific industry sectors, as appropriate.

- 2.1 Subject to Rules 2.2, 2.5, 2.6 and 2.7, a proposed Participant is eligible for the Employability Fund Services if they: (i) have been assessed as requiring interventions which fall within Stages 2 to 4 of the Strategic Skills Pipeline; and (ii) are within one of the following categories:

- 2.1.1 Those aged 17 and under, who have reached their statutory school leaving date and are: -

2.1.1.3 not in training;

- 2.1.2 With exception for those referred to in Rule 2.6.2, those aged 18 and over who are in receipt of DWP benefit and have been unemployed for a period of 13 weeks or more but not, (for the avoidance of doubt) those in receipt of Universal Credit who are earning;

2.3 The Provider is responsible for ensuring that the Participant at all times meets the eligibility criteria and must notify SDS in the event that a Participant is no longer eligible in order to determine whether the individual may continue. SDS shall not be liable for any payments claimed in respect of any participant who was not eligible to participate in the Employability Fund programme for which any claim is made, except to the extent the SDS assigned Contract Executive has provided prior written approval (to be granted entirely at SDS' discretion). Eligibility under any of criteria 2.1 and 2.2 must be confirmed by the EF Referring Organisation and the Participant in the Participant's Eligibility Confirmation form (which shall be in the form set out at Appendix 2). The Eligibility Confirmation is a mandatory document. If the Participant is under threat of redundancy, the letter of redundancy (which must include the date of redundancy) must be stored with the Eligibility Confirmation form as supporting evidence.

2.4 SDS Individual Training Accounts (ITAs) (and any replacement programme) cannot be used by Participants to fund training delivered as part of the Employability Fund Services or for any elements of the Individual Training Plan. Participants in the Employability Fund Services will be ineligible to apply for SDS ITA funding (or any replacement programme) or to renew an existing account for SDS ITA funding (or any replacement programme) whilst participating in Employability Fund Services.

2.6.2 the proposed Participant is in receipt of DWP benefit and is unemployed but not, (for the avoidance of doubt) in receipt of Universal Credit and is earning;

the proposed Participant shall be eligible for EF Stage 4 National Transition Training Fund (NTTF) as described in the NTTF guidance available on the SDS Provider Web Pages.

2.7 For the avoidance of doubt, the eligibility criteria set out in this rule 2 do not create any rights for the Provider to register any Starts. The Provider does however require to ensure that each Participant continues to meet the criteria in accordance with rule 2.3.

3 Employability Fund Services Content

3.1 The Employability Fund Services must facilitate the progression of Participants along the Strategic Skills Pipeline (SSP) (or its equivalent, if replaced) into sustainable employment. Employability Fund Services should be differentiated to meet the needs of individual Participants and the job opportunities available and should complement other publicly funded provision available within the Local Employability Partnership (LEP). It should reflect the stage of the SSP that an individual is referred to and meet the following high level expectations:

SSP Stage	Aim	Work experience requirements*	Output measure options**
Stage 2	Build employability skills, personal development and core skills.	Some form of work experience is mandatory, the nature of which can vary.	<ul style="list-style-type: none"> Individual achievement of SCQF credit rated personal development/ employability/ core skill provision of at least 18 SCQF credit points at SCQF Level 3 or above Individual achievement of a Group award where employer opinion is integral to attainment of at least 33 SCQF credit points at SCQF level 3.
Stage 3	Support individuals to prepare for and sustain employment, including entry to Modern Apprenticeships.	A work experience placement is a mandatory requirement	<ul style="list-style-type: none"> Individual achievement of SCQF credit rated vocational/ employability/ core skill provision of at least 18 SCQF credit points at SCQF Level 4 or above or; Individual achievement of a Group Award where employer opinion is integral to attainment of at least 34 SCQF credit points at SCQF level 4.
Stage 4 (which includes National Transition Training Fund (NTTF))	Enable individuals to access sustained employment through industry specific training.	Work experience may be incorporated, as appropriate.	<ul style="list-style-type: none"> Achievement of SDS approved industry-led certification as entered on the Individual Training Plan

*Work experience includes: work experience placement; work shadowing; work taster; job experience; volunteering experience. Full definitions are supplied in appendix 4 to the Rules.

**Although not mandatory, SDS will continue to encourage the delivery of appropriate certification at every stage of the Employability Fund Services through output payments. For Stage 2 and 3, the SCQF provides assurance that learning is being measured and is informing progression; reflecting the Scottish Government's position as articulated in the Post 16 reform programme.

3.2 Employability Fund Services must be tailored to meet the individual needs of the Participant while reflecting local employment and economic drivers. Providers must ensure that all Employability Fund Services are delivered in accordance with the following key principles:

3.2.1 The training undertaken by the Participant will be based on a focussed assessment of their needs;

3.2.2 Providers will work with employers, colleges and other partners and Providers to improve the number, variety and quality of suitable progression routes for Participants; and

3.2.3 Participants will be given ongoing support at points of transition.

3.3 Providers shall be obliged to comply with Best Practice guidance relating to the Employability Fund which shall be published from time to time on the SDS Provider Web Pages.

3.4 It is envisaged that qualifications appropriate to a Participant's individual needs will be identified in their Individual Training Plan. However, it is recognised that qualifications will not be a suitable outcome for all Participants and as such they are not a mandatory element of the Employability Fund.

3.4.1 In cases where a Provider believes a qualification is suitable for a Participant and the qualification is not included on the Approved List for Stage 4 to attract an output payment, the Provider may request SDS to add the qualification to the Approved List via their SDS Contract Executive. The Provider must research the most cost-effective delivery method and submit this as part of their request. If the Participant has any previous experience on the EF (including NTTF) this will be taken into consideration as part of the request.

3.4.2 SDS shall at its sole discretion be entitled to add and remove any qualification from the Approved List for Stage 4 at any time.

3.5 Participation in EF is defined as:

3.5.1 up to 30 hours per week in a combination of training and/or on work experience and,

3.5.1.1 for Participants aged 24 or under at commencement of the EF Stage, a maximum length of stay of 26 weeks on employability and core skills training when combined with a work experience appropriate to the EF Stage (such work experience as is defined in Appendix 4 and which shall, not exceed 240 hours in total), or

3.5.1.2 for Participants aged 25 and over a maximum length of stay of 16 weeks comprising up to 8 weeks (not exceeding 240 hours in total) of employability skills training and up to 8 weeks (not exceeding 240 hours in total) of work experience appropriate to the EF Stage (as defined in Appendix 4).

5 Individual Training Plan (Appendix 3)

5.1 Only Participants who have Individual Training Plans (ITPs) completed and signed in accordance with the Employability Fund Rules for 2021-2022, and are registered on FIPS by 31 March 2022 will continue to be funded by SDS under the period of contract extension referred to in rule 3.5 of Part One of the Rules. The Individual Training Plan (ITP) must be designed to support the Participant to take part in and progress through appropriate employability, vocational training and employment opportunities linked to the local labour market, which fall within Stages 2 to 4 of the Strategic Skills Pipeline (or its equivalent, if replaced) . Providers may decide how best to format the Individual Training Plan provided it contains all of the information specified in the Best Practice Individual Training Plan set out in Appendix 3 and has been confirmed in advance as suitable by their SDS Contract Manager.

5.2 Where the Individual Training Plan refers to an output for which an awarding body accreditation is required, and where that accreditation was not in place at the time the Participant was registered as a Start on FIPS, or an Individual Training Plan does not exist, is incomplete or remains unsigned, or is signed but dated after the Recruitment Payment being claimed, this shall constitute a breach of the Rules. The Individual Training Plan must be retained by the Provider for audit purposes.

5.3 The Individual Training Plan must be drawn up and agreed between the Participant and the Provider, detailing training delivery to be undertaken in order for the Participant to progress towards their agreed Outputs and Outcomes. The Individual Training Plan is a working document which must be completed, promptly updated and reviewed (as appropriate) as the Participant progresses through their training.

5.4 The appropriate Stage must be specified depending on the participation stage of the Participant, i.e. Stage 2, Stage 3 or Stage 4, in accordance with their referral. The Outcomes

and Outputs agreed between the Participant and the Provider will be recorded in the Individual Training Plan and the Provider shall use these to plan appropriate training inputs in discussion with the Participant. Providers must build on existing assessment information and contribute to ongoing identification of needs and ensure that the Individual Training Plan is updated timeously.

- 5.5 In addition to the information detailed in rule 5.4, the Provider shall insert the following details into the Individual Training Plan: the date of the Start, the Participant's anticipated leaving date and actual end date (when appropriate), and work experience plans (including the expected pattern of attendance on work experience). The Individual Training Plan must also include Employability Fund Services hours of attendance (as agreed between the Provider and the Participant), which must be promptly updated if there are any agreed changes in the Participant's attendance pattern.
- 5.6 In completing the information specified in rule 5.4, the Provider must use the comments/details column to categorise the training as personal development, core skills or employability. The Provider must also detail the number of hours that the Employability Fund Services should take to deliver by identifying the number of SCQF credit points that it equates to. Providers should note that in order to qualify for the Output payment provision at Stage 2 and Stage 3, the training/Services must be SCQF credit rated. Where training/Services is not SCQF credit rated, this must be clearly stated in the Individual Training Plan.
- 5.7 A formal review must be carried out by the Provider at least once every 28 calendar days and recorded on the Individual Training Plan. Actual review dates must be entered promptly after they have taken place. Progress towards Outputs and Outcomes and the date on which each Output and Outcome is completed or amended must also be recorded promptly on the Individual Training Plan.

6 Training Agreement and Equalities Monitoring Form

- 6.1 Not used
- 6.2 **Training Agreement and Equalities Monitoring Form**
 - 6.2.1 Not used
 - 6.2.2 Not used
 - 6.2.3 Not used
 - 6.2.4 The Provider shall ensure that the Training Agreement is kept accurate and up-to-date and amended to reflect any subsequently agreed variation in content or timescale, and where any variations are made to the Participants NI number, start date, date of birth, output type, the Training Agreement shall be immediately updated, signed and dated by the Participant and Provider and the changes updated immediately on FIPS. Where any variation is made to any other information contained in the Training Agreement such as email address or work experience employer details, the Provider must ensure that the changes are updated on FIPS and recorded on the ITP at the next formal review.
 - 6.2.5 For the avoidance of doubt, where a Training Agreement does not exist, where it is inaccurate, where it remains unsigned, or where the original TA was signed more than 9 calendar days after the Participant's start date, this shall constitute a breach of the Rules.
 - 6.2.6 The Provider shall not be entitled to extend the expected end date of the EF training contained in the Participant's Training Agreement as at 31 March 2022. In the event that the Participant has not completed their training at the date referred to in the Training Agreement, the Provider must immediately notify the Participant's original EF referring organisation to initiate any follow up procedures.

7 Participant Terms and Conditions

7.1 During the period of a Participant's Employability Fund Services, an allowance, known as Young Persons Allowance, must be paid by the Provider to the following Participants on a weekly basis as follows:

7.1.1 Participants under the age of 18 who are not in education, employment or training and eligible Participants aged 18 who are not in education, employment or training and not in receipt of state benefits must each be paid £55 per week (subject to deductions made pursuant to rule 7.1.3 and in accordance with any guidance provided by SDS) for the duration of their training in a particular Stage of the Employability Fund.

7.1.2 The Young Persons Allowance shall be payable a week in arrears and Providers will be able to reclaim the Young Persons Allowance via FIPS.

7.1.3 If a Participant fails to participate in the training Services as set out within their Individual Training Plan, Providers have the discretion to reduce the weekly allowance paid to the Participant – what is paid to the Participant will be the amount reclaimed from SDS via FIPS.

7.1.4 The Provider shall retain such records as are necessary to confirm payment of the Young Persons Allowance to individual Participants.

7.2 Participants shall not be requested or required to make a financial contribution towards the cost of their work experience, training, courses or lodgings and shall not be requested or required to pay any associated fees (such as the fees for obtaining qualifications).

7.3 For the avoidance of doubt, the terms of rule 7.2 shall also apply to Participants who leave the Employability Fund Services early (that is, they shall not be requested or required to make any payment towards the costs of their participation in the Employability Fund Services).

7.4 Providers must ensure that all Participants are timeously supplied with any protective clothing, books and/or equipment that may be necessary for their participation in the Employability Fund Services at no cost to the Participant.

The Provider should, on request, present to SDS an accurate record of their controls in a format determined by SDS.
- 3.2.2 SDS will be entitled to assess the Provider controls (during and after the period of the EF Contract), (accessing the Provider and any sub-contractor premises as deemed appropriate by SDS) and take such action as SDS deems appropriate to establish the extent to which the controls are (or were, as appropriate) operating satisfactorily. The Provider will co-operate fully with SDS in each such assessment and/or action.
- 3.2.3 In the event that the Provider is no longer providing training or assessment services to Participants and has no outstanding claims for payment under the terms of the EF Contract, the Provider will comply with their contracted obligations for the duration of the remaining retention period set out in rule 21 of Part 3 of the Rules.
- 3.2.4 If the Provider has had an EF Contract at any time during the period between 1 April 2020 and 31 March 2021 and an action/improvement plan was in operation under that

contract as at the expiry/termination of that contract, any such action/improvement plan will continue to apply to the Provider under the Provider's current EF Contract (as may be extended), unless SDS advises the Provider otherwise in writing in the form of an email from the SDS assigned Contract Executive.

3.3 Payments and Claims

3.3.1 A Provider shall require to be a financially viable organisation and have robust financial systems in place. SDS reserves the right, at any time and as it may deem necessary to: -

3.3.1.1 require the Provider to provide such financial and/or other information, including the latest set of the Provider's audited accounts, or such other information as SDS may reasonably require to enable SDS to assess the Provider's continuing financial viability and the Provider's ability to continue to perform its obligations under the EF Contract;

3.3.1.2 require any financial and/or other information provided by the Provider under the EF Contract to be certified by an independent accountant or equivalent; and/or

3.3.2 Provided always that the Provider has and continues to meet its obligations under the EF Contract, SDS will pay to the Provider, as and when required by, and in accordance with the terms of, the EF Contract, such sums as are then due to the Provider according to the relevant Contract Schedule. All payments made under the EF Contract are inclusive of any applicable VAT.

3.3.3 Not used.

3.3.4 Without prejudice to SDS' other rights and remedies, where the Provider has been requested to provide documentation in support of a claim for payment and has failed to provide it, SDS shall be entitled to permanently withhold payment of the claim (or such proportion not supported by satisfactory documentation) or where the claim has been paid by SDS to demand immediate repayment of the claim (or such proportion not supported by satisfactory documentation) whereupon the Provider shall immediately repay the amount demanded.

3.3.5 The Provider shall not be entitled to submit a claim for payment in respect of an Output or Outcome until the Provider is in possession of all the required evidence as detailed in rule 8 of Part Two of the Rules. All claims for payments must be submitted by the Provider through FIPS. Where such evidence is not available to SDS (or its agents) on request, and/or such evidence was not in the possession of the Provider at the date of submission of the claim on FIPS, payment will be at the sole discretion of SDS. SDS shall not accept any evidence other than the evidence referred to in these Rules as support of a claim. Without prejudice to SDS' other rights and remedies, SDS shall be entitled to permanently withhold payment or to recover on demand up to the full amount of all funding already paid in the event that the Provider is unable to demonstrate compliance with these terms for any claim. SDS shall be entitled to withhold any payment claimed until such time as SDS (or SDS' agent) has satisfied itself as to the authenticity, accuracy and/or suitability of the evidence available to support the claim, and in pursuit of such right, shall be entitled to conduct such audit of the supporting evidence as SDS (or SDS' agents) may deem appropriate. Payment of any claim (whether with or without any audit) does not mean that SDS has satisfied itself as

regards the authenticity, accuracy and/or suitability of the evidence, and SDS reserves its rights in that regard.

3.3.6 Not Used

3.3.7 Signatures on Documentation

3.3.7.6 Any irregularity in required signatures may be deemed a breach of the Provider EF Contract

3.3.7.7 SDS constantly monitor and review the use of electronic signatures and may provide updated requirements and guidance from time to time.

The Provider is required to meet minimum standards and take action to strive for improvements in their delivery. A copy of the current SDS Quality Assurance and Improvement Framework is available on the Employability Fund training/learning provider area of the SDS Provider Web Pages. The Quality Assurance and Improvement Framework may be amended from time to time by SDS. Any amended version shall be available on the said website.

These procedures must operate in such a way so as to ensure that Participants are treated fairly and reasonably. Participants must be notified of these policies and procedures at the commencement of their Employability Fund Services and must have access to them at all times.

3.5.2 Where a serious breach of policy occurs (e.g. an act of violence by a Participant) the Provider may expel the Participant from the Employability Fund Services immediately without notice. The Provider must inform their assigned SDS Contract Executive immediately by telephone of the expulsion and the reason for it.

3.6 Trade Union Membership

3.6.1 Participants may join a trade union, if they are eligible to do so under its rules. The decision to join a trade union is entirely a matter for individual Participants and the Provider shall not seek to influence this decision in any way. Any agreed arrangements that the Provider, its sub-contractors or agent (if any) have with the trade union and which are relevant to Participants must be explained during induction.

3.6.2 Participants who join a trade union must be treated in the same manner as all other members of that union, (e.g. given time off to attend legitimate union meetings.)

14.1.1 where, in the opinion of SDS, the Provider has failed to comply with any term of the EF Contract (including any Contract Schedule);

14.1.5 where the Provider fails to immediately notify SDS of (i) any hold placed on any Employability Fund related accreditation by an awarding body; (ii) any withdrawal and/or renewal of any Employability Fund related accreditation by any awarding body, or (iii) any sanction which may impact on a Participant achievement;

14.1.11 where SDS becomes aware of any breach of any other agreement entered into between SDS and the Provider at any time (whether expired or extant, and whether before or after the date of the EF Contract) which breach (or breaches) would entitle (or would have entitled) SDS to terminate such agreement; or

14.1.12 if SDS reasonably considers that the EF Contract has been subject to a substantial modification which would have required a new procurement procedure in accordance with regulation 72(9) of The Public Contracts (Scotland) Regulations 2015 (as may be amended or replaced from time to time);

14.1.13 if the Provider fails to comply in the performance of the EF Contract with legal obligations in the fields of environmental, social and employment law;

14.1.15 if SDS has reasonable cause to believe that the Provider has committed an act or engaged in any activity listed in regulation 58(8) of The Public Contracts (Scotland) Regulations 2015, as read with regulation 58 paragraphs (13) – (17), in which case SDS shall also consider and apply any relevant guidelines or policy notes which may be issued by the Scottish Government from time to time (which shall include, but not be limited to, any guidelines or policy notes relating to blacklisting practices); or

SDS may terminate the EF Contract (and/or each Contract Schedule thereunder (or part thereof) to the extent specified by SDS) by giving notice in writing to the Provider with immediate effect within six (6) months of: -

14.7 The Provider shall be entitled to terminate the EF Contract and any Schedule thereunder by serving written notice on SDS in the event that SDS makes any material change to these terms and conditions (which shall be deemed to include any change that materially increases the costs incurred by the Service Provider in providing the Employability Fund Services). The date of termination shall be the date which SDS confirms as the date on which the relevant change to the terms and conditions takes effect (or the date occurring 4 weeks after the date on which the date of the relevant change is confirmed, whichever is the later), and the Provider's notice shall require to be given (in accordance with rule 29) prior to such date, failing which the Provider's right of termination under this rule 14.7 shall elapse.

14.8 SDS shall be entitled to terminate the EF Contract by written notice with immediate effect if the Provider and/or any of its directors, staff, Permitted Sub-contractors or representatives:-

15 Other Remedies

15.1 Without prejudice to SDS' other rights and remedies: -

15.1.1 where the Provider submits a claim which the Provider is not entitled to submit, and/or receives payment from SDS which the Provider is not due to receive under the terms of the EF Contract, SDS shall be entitled to recover from the Provider up to the full amount of funding paid to the Provider on demand.

15.1.2 failure to perform the Provider undertakings entirely in accordance with the EF Contract (which shall include any failure to provide the requisite evidence, and/or failure to demonstrate that any obligation was undertaken in accordance with the requisite timescales set out in the Rules) shall constitute a breach of the EF Contract, which shall entitle SDS to: -

15.1.2.1 suspend any or all payments under the EF Contract and any other contract the Provider has entered into with SDS, until SDS has concluded a full investigation of the Provider's activities. Except where it may not, in SDS's reasonable opinion, be appropriate to do so, SDS will give the Provider written notice if SDS is going to impose a payment suspension, and shall set out the commencement date for the payment suspension. SDS may also include details of the anticipated duration of the payment suspension in the notice, or advise the Provider about that separately in writing. SDS may extend the duration of the payment suspension if SDS has good reason to do so in order to complete a full investigation.

15.1.2.2 suspend the Provider's appointment under the EF Contract and any other contract the Provider has entered into with SDS. Except where it may not, in SDS's reasonable opinion, be appropriate to do so, SDS will give the Provider written notice if it is going to impose such suspension, and shall set out the commencement date for the suspension. SDS may also include details of the anticipated duration of the suspension in the notice, or advise the Provider about that separately in writing. SDS may extend the duration of the suspension if SDS has good reason to do so in order to complete a full investigation;
