## Adopt an Apprentice

[Adopt an Apprentice](#) is a Scottish Government initiative introduced to support Modern and Graduate Apprentices facing redundancy. The programme enables redundant apprentices to complete their training with an alternative provider.

For Applications received on or after 1 April 2022, the Standard Rate grant of £2000 is available to employers who employ Modern and Graduate Apprentices who have been made redundant. An alternative Enhanced Rate grant of £5000 is available to employers who employ Modern Apprentices in the oil and gas industry who have been made redundant.

Adopt an Apprentice funding is open for applications to be received by SDS by 5pm on 23 June 2022.

High level figures for the full financial year 2021/22 are included in Table 1.
