

## **FIPS QUICK START GUIDE**

## **Outstanding Claims for Outcomes and Milestones**

## Training Providers have access to a system report in FIPS to view any outstanding claims for MA participants within the Reports entity of the system.

1. To access this report, click into the Reports entity within the Workplace menu:

2. All reports will be displayed under the Available Reports system view. A list of all available reports will appear in alphabetical order. Search for the report by entering "outstanding" in the search box:

- To view the number of milestones still available to claim for a participant, go to the assignment and click into the Individual Payment Plan tab to view.
- 5. Alternatively, you can calculate the number of outstanding milestones by deducting the outcome value and dividing the remaining value by the stated individual milestone value. This can be done on the Excel spreadsheet exported by adding the following formula to the empty column on the right-hand side of outcome amount:

## =(Total Value - (Total Paid + Outcome Amount)) / Milestone Amount

E	=(L3-(M3+R3))/P3													
	L		М	N	0		Р	1Г	R	S				
	Total Value		Total Paid M3	Total Outstanding	Start Amount		Milestone P2 Amount	П	Outcome R3 Amount	Number of milestones still available to claim				
			1110				13							
	2700.00		150.00	2550.00	150.00		318.00		642.00
